

El gallito Koko

Hay viene el amanecer,
El gallito Koko canta.
Anunciando de una vez
Que comienza la mañana.

Siempre muy contento,
Con su cresta al aire.
Te canta de la montaña
Para que te levantes.
Te dice kikirikí,
¡Quiero que conmigo cantes!

De todos amigo,
Siempre tan dispuesto.
Regala con su alegría,
Y su corazón sincero,
Un lindo kikirikí
Que renueva el mundo entero.

Antes que salga el sol...
El gallito Koko canta.
Antes que salga el sol...
Que comienza la mañana.

Koko, the rooster!

Here comes the dawn,
The little rooster Koko, sings.
Announcing at once
That the morning is starting.

Always very happy,
With his crest up high.
He sings to you from the mountain,
So that you wake up.
He says: *kikirikí* (cock-a-doodle-doo),
I want you to sing with me!

He's a friend to all,
Always ready, disposed.
He treats everyone, with his happiness
And his honest heart,
To a beautiful *kikirikí*,
That renews the whole world.

Before the sun comes out...
Koko, the rooster, sings.
Before the sun comes out...
That the morning is starting.
