

## **El vaquero**

Desde el horizonte  
Ya lo ves llegar.  
Sobre su caballo,  
El vaquero va.

Viene de muy lejos  
A todos cantar.  
Con guitarra auestas,  
Se oye su: “¡yeehaw!”

Va contento, galopando,  
Pues quiere llegar  
A contar sus aventuras,  
Para recordar  
Que hay un mundo, allá en el llano,  
Para explorar.  
Y él, contigo lo compartirá.

## **The Cowboy**

From the horizon  
You see him arrive.  
On his horse,  
The cowboy goes.

He comes from far away,  
To sing to everyone.  
With a guitar on his back,  
You can hear his: “yeehaw!”

He goes happily, galloping,  
Because he wants to arrive  
To tell you of his adventures,  
To remember  
That there's a world,  
There in the valley, to explore.  
And he will share it, with you.
